

Antony Wu

New York, NY | (347) 327-4749 | at.wu18@gmail.com

EDUCATION

Baruch College, Zicklin School of Business

Bachelor of Business Administration in Computer Information Systems

New York, NY

Expected May 2027

PROFESSIONAL EXPERIENCE

CUNY Tech Talent Pipeline Residency - Data Analytics Track

Resident

New York, NY

June 2026 - Present

- Selected for competitive CUNY workforce program combining intensive SQL, Python, and Tableau training with applied capstone projects
- Conducting team research on 35M+ real-world honeypot attack records and ransomware leak-site data with the Cybersecurity Reach Foundation, a cybersecurity nonprofit, culminating in a published research report

Cognizant

Intern

Teaneck, NJ

January 2024

- Worked with a 5-person cross-functional team to refine the portal around client needs, contributing ideas on user flow and pain points from a business and customer perspective
- Assisted the front-end developer on a client portal prototype by running and testing code, troubleshooting issues and giving feedback on layout and usability
- Presented a team concept to senior leaders, including the Chief Product Officer and senior recruiters

LEADERSHIP & DEVELOPMENT

Ascend, Baruch College Student Chapter

Social Affairs Committee Member

New York, NY

February 2026 - May 2026

- Interviewed 3 Ascend members and co-developed a 3-event proposal deck with a mentor; selected as sole proposal adopted by the committee for the upcoming chapter social meeting out of competing submissions
- Built a backup competition format on short notice when ordered materials didn't arrive, preserving full event programming and avoiding a gap in the run-of-show

PROJECTS & ACHIEVEMENTS

OPM 3000 Group Case: Amazon Offline Retail Expansion

Group Leader

New York, NY

February 2026 - Present

- Led 6-person case team evaluating three Amazon offline retail expansion options (Amazon Books, AmazonFresh, Amazon Go) and presenting final recommendation to professor role-playing Jeff Bezos in a 30-minute executive case review
- Coordinated team execution by assigning slide ownership mapped to the case rubric, establishing the team's communication channel, and following up with non-responsive members to keep the group on track for the slide deadline

CUNY Startups: New Venture Accelerator (NVA 1) - 3rd Place

Cohort Member

New York, NY

September 2024 - November 2024

- Co-built freemium business model and unit economics (free ad-supported vs. \$9.99/mo premium tiers) for a legal song-modification streaming platform, projecting Year 1 revenue, costs, and profit
- Sized the global music streaming market across total, addressable, and obtainable segments to estimate the opportunity for song customization; benchmarked competitive positioning against YouTube and TikTok
- Co-designed pitch deck across problem, solution, market, and financial slides; placed 3rd among 5 finalist teams in a cohort that started with 47 participants

SKILLS

Technical & Tools: SQL (Microsoft Access; coursework), Microsoft Excel (formulas, data analysis, PivotTables/VLOOKUP), Microsoft PowerPoint, Tableau

Interests: Men's physique bodybuilding, k-hip-hop, YouTube documentaries, League of Legends esports, manga and anime
